WESTERN TRIPS

Unfortunately, the response to the Steamboat was not sufficient to keep the trip active. So We are down to four trips BUT great trips. The Italian trip is maintaining a waiting list. The other trips still have space available but reservations and good rates wait for no one so jump in there and get on a trip. Don't forget we have four approved trips now plus the NASA trip. They are, in the order in which they will be run; Purgatory, Italy, Jackson Hole (NASA trip), Monarch, and Wolf Creek. Coordinators will be glad to sign you up and give all the details. I am still looking for a coordinator for a AEA week trip. If you are interested please give me a call or e-mail me.

Bowling Party Report

On August 26th, 28 of us bowled on 7 lanes at AMF Parkway Lanes. We bowled a game called "8 Pin-No Tap" where the automatic scoring system was set up to count an 8, 9, or 10 on the first ball as a strike. High game was bowled by Carolyn Mulcahy with a 276 and right behind her, Norma Oberlies' high game was 262. A jackpot was set-up such that the winner had to get the most pins on the first ball of the sixth frame by bowling left handed. Awkward? - You should have been there to see it! Tim King took the \$21 pot with a nine. Judging from all the whooping, hollering, and high five's, everybody had a great time, racking up bowling scores they never thought they'd ever get in their lifetime. There were many 200 bowlers.

Local Trips Corner

A local trip is a trip involving an overnight stay that is not a Western Trip. Some local trips are already planned but it would be nice to have some more. Please call Tom Mullen at 883-2245 if you would like to lead a trip. Some ideas for trips would be:

- Lead a rafting trip to the Ocoee river with an associated campout
- Lead an overnight hiking trip

Ideas for other trips are welcome!
The next local trips planned are:

- Gatlinburg Fall Weekend – Carolyn Mulcahy 852-3177
- A bicycling/camping overnight trip to Cades Cove in Tennessee is being planned for October 9-10-11. Gordon Little will be leading this trip. Please call Gordon at 536-9681 for further details. Cost is approximately \$10 per person.
- Snowshoe, West Va. - Joe Spalding will be leading a weekend trip on Dec. 4, 1998. Please contact Joe at 828-6631.

Please note that rafting trip to the Gaulie has been cancelled due to lack of interest.

Cades Cove Biking

This is a beautiful area in the Smokey Mountains, which should have full fall colors in October, along with cool weather. The ride will be around a one-way, eleven mile loop up and down gentle hills (a couple of steep ones too!) The loop road follows many of the grades and turns of the old wagon roads and at some spots you might even have to ford a stream. The Cove has been preserved as a historic area. It has several historic log cabins and a grist mill for viewing. We will likely see several deer and maybe even a bear while we ride. Traffic is closed off to motor vehicles in the mornings which makes the ride even more enjoyable.

SNOWSHOE/SILVER CREEK

West Virginia

December 4,5,6, 1998

Coordinator - Joe Spalding

828-6631

LAST CHANCE TO SIGN UP!!!!

Start the 1998-99 ski season with a great three or four-day weekend ski trip. Snowshoe averages 180" of natural snow a year (as much as Park City, Utah) and has 100% snowmaking on all trails. We had over 3 feet of new snow while we were skiing on each of the last two years and the year before that we arrived to find a 70" base (more than anywhere out west). I hope that we will find perfect conditions again.

We will leave by car/van (we can arrange car pools at pre-trip party) on Thursday (motel stay overnight or drive straight through). We arrive Friday morning and depart on Sunday afternoon or Monday. We will have a pre-trip party; a wine and cheese reception on the mountain given by Snowshoe; and a spaghetti dinner on Saturday night for the whole group. We will also have group rates on equipment rental. We will ski Friday, Saturday, and Sunday with an option to ski on Monday if conditions are good.

COST - \$240

Monarch Ski Trip

Contact: Charlie Ross, 461-0262

Time: February 6-13, 1999

Location: West of Colorado Springs, Southern Colorado

Cost (Ground Only): Adult: \$400, Senior: \$365

Price estimates include 5 day lift ticket, party fee, 7 nights double occupancy, 4 persons/rental car, and signup fee. The BNA-COS airline rates should come down this fall to \$148/person (travelcity and expedia lowest fare). Should this happen, I will notify everyone signed up for the trip. I am also investigating a group rate with AA out of HSV.

Looks like we will have another great trip to Monarch for the third year in a row! We now have 54 people signed up. This trip is great for beginners and experts alike. It is especially nice for a large group trip because we take over the complete Comfort Inn hotel where we have daily breakfasts, hot-tub parties, happy-hours, and evening entertainment. You couldn't have more fun on a \$5000 cruise! The rooms are large, spacious, and attractive. And we still have some non-smoking rooms left.

The ski area is renown for the most consistent snow in Colorado - only Wolf Creek Pass has more snow! For beginners, they have good lessons and a good beginner area. For intermediates, there is plenty of variety and plenty of groomed trails. For more experienced skiers, the powder skiing is absolutely superb! And for everybody, no lift

Wolf Creek Ski Trip

Contact: Sue Chatham, 461-0262

Time: February 13-21, 1998 (President's week)

Location: South West Colorado

Cost (Ground Only): Adult: \$425, Senior: \$375

Prices include 5 day group lift tickets, party fees, 7 nights double occupancy, 4 persons/rental car, signup fee. The BNA-COS airline rates should come down this fall to \$148/person (travelcity and expedia lowest fare). Should this happen, I will notify everyone signed up for the trip. I am also investigating a group rate with AA out of HSV.

This will be the first year for the club to do an official ski trip to Wolf Creek - although several of us have been skiing there for several years. The big motivation for doing a club trip this year is the fact there is now a brand new Comfort Inn hotel in South Fork. This trip will therefore have a lot of the attractive features of the Monarch trip such as daily breakfasts, hot-tub parties, happy-hours, and evening entertainment. The rooms also are large and attractive. I still have some non-smoking rooms left.

The ski area is renown for the most snow in Colorado! They have good lessons and plenty of variety and groomed trails. And for the more experienced skiers, the powder skiing is absolutely superb! Especially in the Waterfall Area where you can do free "cat-skiing". And for everybody, no lift lines or crowds!

This trip overlaps President's Birthday - so it is a chance for our working folks to get in an extra day of skiing without taking as much vacation!
