## Words from the President

Our HSC ski season began December 1st at the Snowshoe resort in West Virginia. Well...the season began, but there wasn't quite enough snow to run the lifts, so instead of skiing on our first day, we went for a scenic hike and then watched a great movie in the condo. The next two days had adequate snow and was lots of fun on the slopes---AND in the condo---AND in the restaurant/pub. ThanX again to our VP and trip coordinator Bob Breeden, who figured out how to calmly herd 27 'cats' for this trip!

Beginning in January, our monthly meetings will be held in the Bevill Center (upstairs) at the northwestern corner of the UAH campus. (There are two exceptions, March and May, but we'll specify those meeting locations next month.) Please keep Sue Chatham and her family in your thoughts and prayers, as her mother recently passed away.

Roger

## **2008 Western Trip Directors Needed**

The Club needs volunteers to plan and run Western Trips for 2008. Anyone interested in being a trip coordinator, is encouraged to contact the Western Trips Director or any of the board members. Please consider running a trip to your favorite location. All it takes is some planning and organization.

We usually try to schedule trips such that they do not overlap. However, hopefully we can schedule some trips on successive weeks to minimize travel costs for those of us wanting more than one week of continuous skiing. This will be coordinated once the desired locations of the trips are determined. So get your information to me as soon as possible so we can start making our plans. The new calendar of events for the Club call for the 2008 western trips to be presented to the board in January. So I need your input as soon as possible.

If you are interested in running a trip but have little or no previous experience, don't let that stop you. There are many experienced trip coordinators that will be glad to discuss trip organization with you. Contact the Western Trips Director and we will find someone to help you get started.
