Message from the Prez...

...The ski club approved five needed updates to the Constitution and Bylaws on July 18. These changes were largely made possible by the behind-the-scenes work of Nan Case and Susan Ghaneei. This type of effort is always time-consuming, so if you have a chance, please thanks these ladies.

...As we daydream about skiing 5-8 months from now, some fun ski club stuff is happening NOW! We're having cookouts, hikes, bike rides, and other fun activities described in this issue of the Flakey. I hope each of you will enjoy some or all of these. these...

2007- 2008 Ski Trips

...Sign-ups for the SEVEN 2007-2008 ski trips started in April. There has been good response from the membership on the trips. Some of the trips have numerous people to signed up, while some have just a few. All the trips have more slots open. Now is the time to sign-up to reserve your space on your favorite trip before the trip is full

or the trip is cancelled. Review the information that follows on each of the trips and contact the Trip Leader or see them at the next meeting. **Sign up and let's go skiing!**

...I am looking for volunteers to be trip leaders for the 2009 ski year. I have been to a Mountain Travel Symposium (MTS) and gathered a lot of information and established new contacts on Ski Mountains around the world. I have information from ski locations the club has been to and information from ski locations the club has never been to. If you are interested in running a trip in 2009 please contact me.

Tahoe Sampler

12 – 21 January 2008

HEAVENLY - SQUAW - NORTHSTAR

The Club flies into Reno on Saturday, 12 January and returns 9 day later on the MLK Monday, 21 January. We lodge for three nights in South Lake Tahoe at Lakeland Village and ski two days at Heavenly Ski Resort. On our third full day, we cruise northbound across Lake Tahoe on the Tahoe Queen paddle-wheeler to settle at Northstar-at-Tahoe for six nights lodging. On two days, we shuttle to ski Squaw Valley to ski. We ski three days at Northstar, where cross-country skiing is included in the lift ticket. Pre-trip add-ons are easy: Arrive 2 days early to lodge at Sierra Club's Clair Tappaan Hut for cross country skiing at Donner Pass. Or fly to Reno after work Friday, 11JAN, stay at the Sands, and ski Mt. Rose on Saturday until the club shows up.

	Base El.	Peak El.	Acres	Beg.	Int.	Adv.	Long Run	# Lifts
Heavenly	6,540	10,040	4,800	20%	45%	35%	5.5 mi	30
Northstar	6,330	8,610	2,420	25%	50%	25%	1.4 mi	16
Squaw Valley	6,200	9,050	4,000	25%	45%	30%	3.2 mi	34
Mt. Rose	8,260	9,700	1,000	30	35	35	2.5 mi	8

Heavenly has the best views of the Lake Tahoe, beginner terrain at the top of the Gondola, steep backwoods ♦♦, and the highest and longest runs at Tahoe. Our Lakeland lodging has frequent, free shuttles around town (including casinos). **Northstar** has the friendliest village, gentle terrain, the most terrain parks, easy woodsy runs with wildlife if you look. It's a good place to try cross country skiing or snowboarding. Notice the two lodging options at Northstar. **Squaw Valley** has The Best backside for Big Air launches when the powder is deep. **Mt. Rose** is the local Reno resort and has superb ♦♦ Chutes (new in '03) when the powder is deep. Some prices (including Air) for the 2007-2008 season are still estimates of 105% of this year's prices. Lodging based on double occupancy per room..

Deposit for the trip is \$225 of which \$190 is nonrefundable.

Total Cost of \$1200 includes: 7 ski days of lift tickets, ground and aqua transportation, 9 nights lodging, and trip banquet.
