Meeting, October 19th – 6:30 pm!
Elks Lodge

President's Message, Jodi Stephens - 256.651.1433

WELCOME TO THE HUNTSVILLE SKI CLUB!

HAVE YOU RENEWED YOUR MEMBERSHIP! Memberships ended on Aug 31, so we hope you will come to the Membership Party on Oct 8 and Renew Your Membership! Remember, if you bring in a new member, your membership is free for the year!

We had new members at our last meeting, and we are so glad to see some “ole” regulars attend our meeting.

TIME ALERT: The new meeting time is working great especially with more daylight! More members are coming out! The Elks Lodge is working with us to provide food and adult beverages! Come join us around 5 to eat, Social at 6 and Meeting at 6:30. Please mark your calendars for the new time!

SOCIAL: We were saddened that the cookout at the Emery's had to be canceled. We are aware of health concerns and will always go the distance to protect everyone.

SOCIAL is now focusing on the Christmas Party. Get ready for a lot of fun and mark your calendar for Saturday, December 17 at The Elks Lodge. More details are provided here in the Flakey.

SKI TRIPS 2023: We are still having skiers sign up for the vacancies on the trips. Whitefish has one opening (one bedroom) (contact Eileen Luther) and Banff only has 8 spaces available (contact Bob Breeden). NOTICE: the position of Ski Trips Director will be open in the upcoming election cycle (per Lori Bond).

SPECIAL EVENTS: For those of us who participated in the Top Golf event on September 15th, I don't think anyone on the PGA circuit needs to worry about competition from us. I believe we had 10 participate who had a great time trying to hit the balls. Thanks, Diane Brown, for coordinating. Special Events is taking a break over the Holidays.

MEMBERSHIP: Do you have your calendar marked for the Membership Party October 8th? We are back at Ditto Landing, and we have changed the format (once again!). Bring a dish to share and a bottle of wine to share! Doug Faust will be our DJ for dancing, and a good time will be had by all. Don't forget, there is still a meeting in October.

THE SNOWBALL: Moriah Fordham is sending out The Snowball on the 1st and 3rd Tuesday of the month. Be sure to read it for the most up to date information.

THOUGHTS: Some of our members have ongoing health issues, so please keep them in your thoughts.

Have a Wonderful HSC Day!
Jodi Stephens - HSC President

From Your Membership Director

HSC Members and Friends,

It's fall now, the leaves are falling and our HSC Membership Party is just around the corner on October 8th. I hope you plan to come. Food will be provided by members in "potluck" style. Beverages will also be provided at absolutely no cost to you. We do ask that our members bring a bottle of wine or other beverage and a dish to share for the potluck. And, for your dancing enjoyment, music will be played by our favorite DJs, Doug and Diane Faust. And, last but not least, the location is at beautiful Ditto Landing. Come early and get your pictures taken while the sun is shining. Time is from 6 to 10 pm.

If you have not already renewed your membership, please plan on renewing at the membership party. Our numbers are beginning to climb with several new members this year. However, many of our prior members have dropped out during the Covid pandemic and we hope they will come back. Our club activities are picking up and we need everyone's support to remain active in the Huntsville community.

Please go online to our website at <https://www.huntsvilleskiclub.org/join-renew> to renew or complete the membership form in this newsletter and mail it along with your check to HSC, PO Box 1601, Huntsville, AL 35807.

We would love to see you at our next meeting on October 19th at the Elks Lodge at 725 Franklin in Huntsville, at our new meeting time of 6:30. You are welcome to come early and socialize while enjoying some food or beverages provided by the excellent Elks Lodge staff. A huge THANKS to Carol Codori for hosting us at the Elks Lodge.

Thanks,

Bob Breeden 🤘

News From Ski Trips Director

Greetings,

It is difficult to plan for ski season when it is still over 80 degrees everyday. Earlier in September I thought I could detect a bit of Fall in the air. For just a moment. That got me a little bit excited for the ski season. Enough to get me thinking about any gear I need to replace (like the goggles I ruined last year). What about you? Now's the time to go through your gear and start getting it ready for the season!

Ski Trips:

Steamboat Springs December 3-10. Deadline to sign up for this trip is **OCT 1!**

Steamboat is really ramping up their area. They are in the midst of putting in a new gondola (that will be the longest and fastest 10 person gondola in the US). The lower section will be ready by this ski season and the completion ready for the 2023/24 season. This season they will debut snowmaking over the Snowsports School, Greenhorn Ranch and many of the trails on Sunshine Peak. Lots of GREAT things ahead! [Steamboat Trip](#)

Jackson Hole Jan 14 - 21. Still some space left on this great trip to the mountains of Wyoming.

From Your Training Director

Hi,

The next ski club hike will be Sunday 23 October at 1 pm meeting at the Monte Sano bikers parking lot. (Across from the hikers parking lot). Probably get 3-4 miles based on group desires. Hope to see you there.

Fred Killmeyer is still leading a biking group. They generally bike along the Greenway from Ditto Landing after a picnic lunch. The day and time of the weekly ride is subject to change, so the best option if you are interested is to ask Fred to put you on his distribution list. Fredkill007@yahoo.com

See you in the fall.

Schweitzer Mountain Resort

January 28-February 4, 2023

Huntsville will be returning to this beautiful mountain after 14 years. We were last there in 2009. Schweitzer Mountain is located in the Selkirk Mountains of northern Idaho. It overlooks the beautiful Lake Pend Oreille. This resort has something for everyone. It is probably the biggest ski area you have never been to! There are 2900 acres. The 2900 acre resort is bigger than Telluride, Crested Butte, Copper Mtn., Snowbird, or Alta just to name a few. The terrain consists of 2 large bowls one facing east and south and the larger facing north. The mountain has 10% beginner, 40% intermediate, 35% advance and 15% expert slopes. There are 85 trails plus open bowls skiing. For those that like a little more adventure Schweitzer is rated # 3 in tree skiing by ski magazine. The area is served by 10 lifts. The top elevation is 6,400 feet with the base at 4,000 feet. With the base at this low elevation no one should get altitude sickness. But there is plenty of powder, in fact they average 300 inches of powder a year.

We will be staying at SKI-IN, SKI-OUT Selkirk Lodge (Hotel 1 King or 2 Queen beds) that overlooks Lake Pend Oreille on one side and Schweitzer Mountain on the other side.
