Meeting, September 16th!
Huntsville Country Club
Social 7:00 pm - Meeting 7:30 pm

President's Message, Jodi Stephens - 256.651.1433

WE HAVE FOUND A HOME! Join us September 16th at the Huntsville Country Club on Oakwood Avenue. HCC provides us with a beautiful meeting room and access to their kitchen and bar. Dining is downstairs and orders need to be placed before 7 pm. The bar is located next to the meeting area. We will continue with Social time @ 7 and meeting @ 7:30. Masks are required and Social Distancing will be enforced.

Please join us and continue to support the Huntsville Ski Club.

CSC FALL CONVENTION: The Crescent Ski Council has changed the format of their Fall Convention. They have decided to set a Virtual Meeting as opposed to meeting in person. More information will follow.

SKI TRIPS INFORMATION: The Board recognizes there are lots of questions about the scheduled ski trips. Please read the information and if you have any questions regarding sign up, travel insurance, provisional policies, contact our Ski Trip Director Lori Bond. We are receiving updates from National Ski Federation and resort representatives intermittently. Lori is working diligently to contact, research, and define how any changes will affect the scheduled ski trips.

WEBSITE UPDATE: Our Publicity Director, DeeAnna Heym is updating our website to include our Constitution and By Laws. Current Newsletters will also be updated.

WHAT'S GOING ON? Due to social distancing restrictions no Social Events are being scheduled. Our Special Events Director, Diane Brown, is researching for possible activities. If you have an idea, contact Diane Brown.

Currently, we are still planning on a Christmas Party on Saturday, December 19, 2020, at the Huntsville Country Club.

Until we meet in person again, please stay healthy and safe.

Have a Wonderful HSC Day!
Jodi Stephens - HSC President

Note: If you have pictures of a Ski Club Event or pictures of what you are doing during the pandemic that you would like to share, please send Sue Chatham some of them to use in the newsletter. Send to suechatham@gmail.com.

From Your Membership Director

Hello all HSC Members. As August comes to a close, so does your HSC membership for the 2020 season. These past few months have been challenging for our club to generate or maintain interest in our activities since most have been cancelled or delayed. However, we are still a ski club and do plan to resume somewhat “normal” activities and events as soon as possible. We regret that we could not celebrate our new membership year with our annual “Membership Party” but hope that will not deter you from renewing your membership and participating in future activities. You will each receive an email soon that will allow you to check your membership profile information and provide a link for you to update and renew your club membership if you have not already done so.

Something new this year; we will be issuing membership cards to all our members which you may use on your ski trips to obtain savings and discounts for many ski-related activities or equipment. More details will be provided at our ski club meeting. Remember, you can always join or renew at our monthly meeting. Just bring a check along.

Hope to see you at the Sept 16th meeting at the Huntsville Country Club.

Bob Breedon
HSC Membership Director 2020/2021

From Your Training Director

Hike, Saturday September 12th, 8 a.m.

Sugar Tree Trail

I would call this an Intermediate level hike as it's 3.6 miles and is rocky & hilly. It is also prone to mud if wet. It is, however, well shaded.

Directions: Take Bailey Cove Road headed south. Turn Left on Weatherly. Turn Left on Sugar Tree Trail, and then an Immediate Right on Sugar Tree Place.

Hope to see you there.
George Bond, HSC Training Director 2020/2021

News From the Ski Trips Director

Well it is August and it is still hot and as I write the humidity feels like it is 120%. So, who is ready to SKI?? Hard to think of right now, I know.

We have 3 trips the HSC is hosting this year plus the 2 we are showing for CSC and 1 from E. PA. They all sound like a lot of fun. Perhaps open the freezer and let some of the cold air hit you in the face (think snow) and get yourself on a trip or 3!

Epic pass: If you have not purchased one yet you now have until September 17 (extended from Sep 7). The EPIC pass is available from either EpicPass.com or Sports America. There is a discount offered to skiers who have bought the pass in the past. If you had a pass last year, you should have received an offer in last spring for a discounted rate based on the number of days you were able to use the pass during the truncated ski season. If you did not have an EPIC pass last year, but did in previous years you should also have received an offer to get your pass at a 10% discount. Brandon at Sports America states that you should have received an e-mail on this and suggests you try the following searches of your e-mail to find that:

****LOOK IN YOUR EMAIL FOR:**

“This email is to inform you that you may have a credit/discount in the form of a promo code that you would've received via email from the following recipient: seasonpass@e.epicpass.com”

Search seasonpass@e.epicpass.com or "your personal credit" in your inbox of the email you've used in the past for your Epic Pass account with Vail. If you find an email titled, "take until Labor Day to lock in the lowest price" with your name before it, that is your discount promo code email.

If you can't find the email and code then call the Vail support line at (970) 854-0015. Expect to wait on hold for a bit, but they can look up your previous Epic account and give you a discount Code.

With your discount code in hand, Brandon at Sports America can assist you in getting a discounted pass. Brandon@sportsamerica.com

An Update on Reservations & Lift Access

IMPORTANT DETAILS ABOUT YOUR UPCOMING WINTER SEASON

Our Plan for a Safe and Enjoyable Winter Season

This winter, we are focused on what matters most: your safety and providing you with great skiing and riding. To make that happen, we have been hard at work preparing, planning and dreaming about the 2020/21 ski and ride season. Today, we announced our winter operating plan and key changes we are making to help ensure a safe season for everyone. Read more in this important letter from our CEO Rob Katz, to understand these changes and how it impacts you as a pass holder.

[Letter from Our CEO](#)

Quick Summary

For your safety, we will be managing how many people are on our mountains this season and implementing a pass holder reservation system. **Reservations will be required to access our mountains.** For the vast majority of days, we anticipate our mountains will be able to accommodate everyone who wants to ski or ride at our resorts. The reservation system is designed to give you peace of mind knowing that you will have the space you need to feel safe and physically distance, no matter what day you visit.

In every decision we make, **we are striving to put our pass holders first.** As a pass holder you will get:

- Exclusive early season access
- Access all season with week-of reservations
- Priority reservation days for the core season to lock-in before lift tickets go on sale
- Easy-to-use reservation system
- Epic Coverage

A refund before the core season if you don't get the priority reservation days you want and have not used your pass

[Learn More](#)

To give you time to consider our winter plans, **we have extended our Labor Day deadline to Sept. 17, including the deadline to use your credits from last season.** For our pass holders who have already secured a pass for the 2020/21 season and no longer want to proceed, you can request a refund until Sept. 17. Visit [Epicpass.com](https://epicpass.com) starting Sept. 1 for information on the refund process. And, for 2020/21 pass holders who wish to keep their pass, your original Epic Coverage preferences will be reset, so please ensure you update your preference starting on Nov. 6, 2020 in your profile on [Epicpass.com](https://epicpass.com).

We are excited about this upcoming season. And we plan to do our best to ensure your ski and ride season at our mountains is safe and an experience of a lifetime. We hope to see you on the slopes!

Check out the Ridgepoint reviews on Trip Advisor

"This was our 4th time staying at Ridgepoint. We always have a great time. Short shuttle ride to the main mountain or you can hike about 50 yards, up a small hill, to ski out."

"Their new spa is spacious and luxurious - enough room to be social with other guests, or have your own space if you choose. It's ski-in and ski-out (if you choose, else, the regular resort bus is super convenient). The ski-in is actually great fun. In Beaver Creek, I wouldn't stay anywhere else, and we'll definitely be returning to Ridgepoint when we come back."

Note, Beaver is an EPIC pass ski resort. Their Veteran, Active Duty, and Military Retiree rates are very reasonable.
