***Elks Lodge, 725 Franklin St., Huntsville***

***President's Message, Jodi Stephens***

***WELCOME TO THE HUNTSVILLE SKI CLUB!*** Happy New Year to All! I hope everyone who attended the Christmas Party at the Elks had a great time. Thanks to Carol Codori and crew including Diane Brown who coordinated the catering and decorations and Lesa Naidenko and Paulette Bernstein who helped decorate. They all did an amazing job! Thanks to the Elks Lodge for their support and the great bartender Val who kept us all happy!

***ELECTIONS:*** Bob Breeden is heading up the Nominating Committee. If you are interested in helping the club move forward, please volunteer to for a position on the Board. As I have mentioned before, many on the Board have served for multiple years and are ready to give others a chance to serve.

***SOCIAL:*** Social is now taking a break until the elections.

***SKI TRIPS 2024:*** Lori Bond is already looking toward 2024 for booking ski resorts. Many of the resorts are already booked. It looks like the Mother Nature is cooperating and providing lots of snow this year with several resorts opening early.

Steamboat Springs group had great snow and a great time! The Rockies are getting lots of snow which will provide wonderful skiing for the groups going out later in January. The CSC trip to Jackson Hole is up first followed by Big Sky then onto Schweitzer and finishing at White Fish. With a little time off then Banff Canada! Check with Bob Breeden for openings on the Banff trip.

***SPECIAL EVENTS:*** No events are planned until after the first of the new year.

***MEMBERSHIP:*** Are you helping us grow? Reach out to your friends (new and previous members) to get members.

***THE SNOWBALL:*** Moriah Fordham is sending out The Snowball on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday of the month. Be sure to read it for the most up to date information.

***THOUGHTS:*** For those within the Huntsville Ski Club family who have health problems, we send our best wishes that 2023 will bring better health. HSC lost another member recently. We extend our deepest condolences to the family of Lil Lamb who was a long-time very active member. She went on many ski trips and hiking adventures. She last resided in Birmingham.

***THINK SNOW!***

Have a Wonderful HSC Day!

## From Your Membership Director

HSC Members and Friends,

Our club's membership numbers continue to grow as we enter a new year. We are up to 211 as of today. This includes 60 new members. Congratulations to all our club membership who have worked hard during the last couple of years to bring our membership numbers back to almost as good as pre-Covid. A special thanks goes to our board of directors for their continued hard work, encouragement, and positive attitude.

As you probably know, I have been asked to chair the nominating committee again this year for a new board of directors to take the lead of the club on April 1<sup>st</sup> after our election in March. Jodi Stephens, our club president, and Lori Bond, ski trips director, have announced they will be stepping down from those positions next year. Other members of our board of directors have also indicated they would like to turn over their positions to someone new. A nominating committee member may be contacting you soon to see if you may be interested in taking a leadership role in our club. Please consider that we must have great leaders for our club to continue to be one of the best clubs in Huntsville and the southeastern US. Leading our club in some capacity is truly a rewarding experience. Feel free to nominate yourself. If you nominate someone else, please get their permission first.

If you have not already renewed your membership, please plan on renewing as soon as possible. Many of our prior members dropped out during the Covid pandemic and we hope they will come back. Our club activities are picking up and we need everyone's support to remain active in the Huntsville community.

Please go online to our website at <https://www.huntsvilleskiclub.org/join-renew> to renew or complete the membership form in this newsletter and mail it along with your check to HSC, PO Box 1601, Huntsville, AL 35807.

We would love to see you at our next meeting on January 18<sup>th</sup>, 2023 at the Elks Lodge at 725 Franklin in Huntsville, at our new meeting time of 6:30. You are welcome to come early and socialize while enjoying some food or beverages provided by the excellent Elks Lodge staff. A huge THANKS to Carol Codori for hosting us at the Elks Lodge.

We want to welcome all of our new members to our ski club family and, as we have opportunity, get to know them better.

## ***From Your Nominating Committee***

Hi All HSC Members,

Our club's constitution requires that we elect our Board of Directors each year. Most often, we hold the election during our March monthly meeting and require a minimum of 10% of the current members present. Barring any unforeseen circumstances, we will continue to follow this practice for the 2023 election. I have been appointed by our president to chair a nominating committee. The nominating committee is responsible for preparing a slate of nominees to announce at the February HSC meeting. I would greatly appreciate anyone who would like to volunteer to be part of this committee. Please let me know soon so we can begin planning and contacting potential nominees.

Our current board consists of twelve positions including the following:

### Officers:

President – Jodi Stephens  
Vice-President – Roger Chassay  
Secretary – Lesa Naidenko  
Treasure – Joanne Adams

### Directors:

Membership – Bob Breeden  
Ski Trips – Lori Bond  
Social – Carol Codori  
Special Events – Diane Brown  
Newsletter Editor – Sue Chatham  
Training – George Bond  
Publicity – Deanna Heym  
Historian – Gene Hartsfield

See the following link for description of the "Duties of Key Personnel": <https://www.huntsvilleskiclub.org/rules>

At least two of our current board, Jodi Stephens (President) and Lori Bond (Ski Trips), have indicated they will be stepping down from their positions. Others that have been serving for several years have also stated they would gladly step down if there was a suitable replacement.

It's no secret that our club is aging like most organized clubs of any type of persuasion. But, our club has seen significant growth with new and younger members in the past couple of years, many of whom have prior ski club and leadership experience. In order for our club to continue being successful and attracting younger members, it must keep up with latest trends and activities of potential younger skiers. Consider the upcoming election to be an opportunity for you to share your experience and lead our club. We need "new blood" to keep us strong and active.

Thank you,  
Bob Breeden

## ***From Your Training Director***

Hi,

No hikes in January or February as the hike leader and all the usual hikers will be on Club Trips.

Fred Killmeyer is still leading a biking group. They generally bike along the Greenway from Ditto Landing after a picnic lunch. The day and time of the weekly ride is subject to change, so the best option if you are interested is to ask Fred to put you on his distribution list.

[Fredkill007@yahoo.com](mailto:Fredkill007@yahoo.com)

Hope to see you in March,  
George Bond, HSC Training Director 2022/2023

***Have you ordered your new ski club vest? You can do so directly from Lands End. See the info below.***

Lori & George modelling the new ski club vests.

Lori's is a size M and George's is a size XL. You can order straight from Lands End.

Directions for ordering:

Here is the link to the site: [Land's End Ski Club Logo Wear](#).

First create an account.

Search for the item you want and select color and size.

Select "Apply Logo"

Select the HSC Logo by clicking on the picture of our logo. The default color for this logo is blue. If you would like to change the colors, you can just select "Change Logo Color(s)".

You have 3 choices:

- Choose from existing logo colors (blue)
- Match logo color to fabric
- Select new logo colors

Go ahead and click each one to see what you have for choices.

If you want something different, click "Select new logo colors".

Our logo has three parts, the center snowflake and skis, the words Huntsville Ski Club and the outer circle.

You will see 3 blue blocks all with the number "1166". That is the default color of all three parts.

If you want to change the color of the center, select the "1" square.

Then select the color family and the exact shade you want. Once you select a color it will display on your logo.

When you've finished with all three color choices, scroll down a bit and select the location for your logo. Then click "Apply Logo".

Follow the prompts to checkout.

There is a short video of instruction at the beginning if you feel the need to clarify.

## ***From Your Ski Trip Director***

Happy New Year to you all!

I hope your holidays were pleasant. We spent a few days over Christmas in Denver with our girls and managed to be there when the temperature dropped to -14. Needless to say we didn't go out much! Let's hope our ski weeks don't get that cold.

Speaking of ski weeks, the folks on the Steamboat trip had the best snow in years. It continues to snow out west so it looks to be a great ski season.

If you are on one of the upcoming trips you should be hearing from your trip leader soon with final details.

The Jan 2024 CSC trip is Taos. We are working on getting some quotes for Crested Butte and Telluride following that trip.

2025 - the CSC is asking for a vote on which trip to choose. The choices are:

Aspen/Snowmass

Banff

Big Sky

Park City

Whitefish

I'd appreciate you sending me your top choice. Then I will send the top 2 choices to the CSC. This is your opportunity to help decide where we will go. Please send your choice to my email at [llbondcnm@gmail.com](mailto:llbondcnm@gmail.com) or text me at 907-978-9246

George and I were able to "Ski Bama" last week at Cloudmont Ski Area. We spent most of the time helping teach kids (and some parents) how to get down the hill. It was actually pretty fun. I think with the rain expected over New years their ski days are limited.

Wishing you all a safe and Healthy New Year. See you on the slopes!

## Schweitzer Mountain Resort

January 28-February 4, 2023

Huntsville will be returning to this beautiful mountain after 14 years. We were last there in 2009. Schweitzer Mountain is located in the Selkirk Mountains of northern Idaho. It overlooks the beautiful Lake Pend Oreille. This resort has something for everyone. It is probably the biggest ski area you have never been to! There are 2900 acres. The 2900 acre resort is bigger than Telluride, Crested Butte, Copper Mtn., Snowbird, or Alta just to name a few. The terrain consists of 2 large bowls one facing east and south and the larger facing north. The mountain has 10% beginner, 40% intermediate, 35% advance and 15% expert slopes. There are 85 trails plus open bowls skiing. For those that like a little more adventure Schweitzer is rated # 3 in tree skiing by ski magazine. The area is served by 10 lifts. The top elevation is 6,400 feet with the base at 4,000 feet. With the base at this low elevation no one should get altitude sickness. But there is plenty of powder, in fact they average 300 inches of powder a year.

We will be staying at SKI-IN, SKI-OUT Selkirk Lodge (Hotel 1 King or 2 Queen beds) that overlooks Lake Pend Oreille on one side and Schweitzer Mountain on the other side.

# Huntsville Ski Club Christmas Luau December 17, 2022

## 2022 Christmas Luau=Holiday Success

HSC's annual holiday party on Saturday, December 17 enjoyed a full evening of big fun...and even a small profit! Held at our regular meeting spot, the Elks Lodge at 725 Franklin Street, some 80 guests shared delicious Hawaiian food, creative island decor, great dance music with Del-tones-plus-singer, and glittering hula entertainment by our very own Luana's Wahines. Special appreciation to all planners, ticket sellers, attendees, and unsung helpers from both HSC and the Elks.

Summer luau, anyone?
